Blue Bus program in Duncan

Love goes! If you care about youth, we would love to talk with you!

Youth for Christ (YFC) is an international organization working in over 100 countries. With the generous support of Cowichan Valley churches, YFC began work in the Mulaqw & Boys Road area at Cowichan Tribes on April 3, 2017. We have seen youth respond to the gospel which is fantastic! We also want to see youth and their families become active participants in local churches. To achieve this goal we will need your help! We currently have opportunities for both volunteers and staff.

Volunteer Opportunities

We are seeking volunteers for an after school program working with high school students at Duncan Christian School that we hope to launch in late May 2019.

Staff Opportunities

New staff will enable us to develop our work in the Cowichan Valley. We would love to explore three options with you: you could work full time with YFC, or you could work part time with YFC or you could work part time with a church and part time with YFC. YFC provides a comprehensive training program to help people working part time or full time to raise their support.

If you or someone you know would like to learn more about these volunteer or staff opportunities, please contact Wally Bidwell (250-709-8524) or Rick Wismer. Rick Wismer - Mobile Outreach Director mobile 250.216.8287 email rick@yfcvictoria.com www.mobileoutreach.ca
