From CRC Communications

THANK YOU - Thank you to all of you as members of the CRCNA. Sometimes you must wonder what impact we together are having. Well, this year, the impact ranges from being part of winning the Nobel Peace Prize to launching youth curriculum, impacting parliament on key issues, and working towards 21st century communication tools for churches. There are so many more ways that your congregation has been a part of or benefited from our shared work. Thank you for your continued striving together in all of this. For more info, feel free to visit crcna.org/resources. Strength to you and your church in the New Year. Sincerely, Darren Roorda - Canadian Ministries Director, CRCNA
