The Offering is for Church Ministries and (Race Relations - write cheque to Duncan CRC and the cause in the memo line and on the envelope).

The Ministry of Race Relations is mandated by synod "to design, organize, and implement programs that will assist the denomination, churches, and members in eliminating the causes and effects of racism within the body of believers and throughout the world." As a denomination, we believe that dismantling racism is not peripheral to our Christian calling. It's a Gospel issue!

Church Stewardship Summit March 30 - Abbotsford, BC (free for participants)

Many churches are asking how to encourage a culture of generosity within their church. Join us on March 30th, 8:30AM to 12:30PM to discover proven and practical ways to re-ignite the flame of excitement for the future of your church.

- Why and how do people give of their time and treasure?
- How has consumerism affected giving?
- How to recruit passionate Leadership for your church.

It is highly recommended that the church send a group, especially those in a Leadership position, and those who have a passion for Stewardship. During the Workshop, the participants will work with the group from their own church to develop an outline of a plan to create a culture of generosity within your congregation.

No charge for all participants, lunch included!
