History: 46 years ago, Bethesda began its vision of serving people with disabilities. In January 1971 parents, people with disabilities and interested others gathered for the 1st Annual General Meeting. On May 13, 1971, there was great joy and gratitude to God as Bethesda was officially formed. Founding parents wanted support for their sons and daughters with disabilities rooted in the Christian faith. They embraced Jesus example of how to love and serve others in serving people with disabilities and their families.
