Community Dinner Thanks!

A big thank you to the 21 volunteers who helped out last Saturday at the community dinner! It was an amazing team of workers who prepared shepherds pie, salad, vegetables, buns in the kitchen. Another team was busy setting up the tables. About 150 community people came and enjoyed good hot meal and time spent together socializing. Many of the people have been coming for years and they really appreciate the meal and we are building relationships with them. Besides feeding them a meal, we hope and pray we can find other ways to help those in need as Jesus calls us to serve others. Thanks again! Next dinner is May 25.

Community Need

A family who comes to our community dinner is in need of a washer and dryer. If anyone has a used working pair they can give, please contact James vH.
