From the Deacons

Now that the donation receipts have been sent out by the Deacons, it has been brought out at the Council Meeting that at present our operating funds are extremely low. May we consider all that has been given to date and to prayerfully consider what you can contribute in the last quarter for us as church to meet our obligations in support of all church ministries.

Church Family

Thank you for the prayers, love and support for John D following his recent open heart surgery. John is continuing to heal well and able to do more each day. Thanks be to God!

From the prayer chain: "Lord we continue to pray for DJ and ask you to to heal every brain cell. But especially we ask you to touch his optic nerve with your healing presence and also promote the muscle tone in his small body. We are so thankful that we can ask you for "your immeasurably more" and we continue to do so in faith that you will make all things well for DJ. Continue to uplift his parents and family with your comfort and give them hope. Amen"
