Thursday, May 27: Elders' Meeting 7 pm

### Give by e-Transfer

You can also give your offerings through Interac ETransfer from your bank online. Log in to your bank's online banking and navigate to the Send Interac e-Transfer area. Your first time using this method you will need to add [giving@duncancrc.org](mailto:giving@duncancrc.org) as a new recipient.

(You can leave the mobile phone number blank, and if it asks for a security question you can make up anything - we are set up for auto-deposit so the security question will not be used). To designate a portion of your offering to a specific cause, note the amount for that cause in the note with your transfer. Any undesignated funds will go to Church Ministries.

### Deacon Care

If you find yourself in need of any kind and would like / need some assistance, please contact your deacons. Phone Lawrence.

### Services are Live-streamed/Recorded

## Church Family

John A came home on Wednesday. His motto has been "step by step" throughout his journey prior to surgery and continues on now that the surgery was successful. He thanks everyone for their prayers in the hospital and as he continues healing.

Some of us may remember Ringma's bakery (now York St. Diner).

Janny and Harry Ringma were part of Duncan CRC for many years before they moved to the mainland. Janny is turning 100 years old! For those of you who would like to send her a card, contact the Church Office.

### Offering

#### Offering This Sunday, May 9 - World Renew Maternal & Child Health

Because of poverty, many babies do not have a healthy start in life. We invite you and your church to join with communities around the world to give mothers and their children the resources they need to start right. This Mother's Day, we invite you to join World Renew to encourage the lifelong flourishing of mothers, babies, and entire families who need your help -- especially now.

## Announcements

### **World Renew**

Will you help protect lives in rural India? - As the world watches the unfolding COVID-19 crisis in India, the focus has been on the rising number of COVID cases, the shortage of medical supplies, and the heartbreaking loss of life in urban cities. But the virus is now spreading to rural areas where there are even fewer resources to protect lives. In collaboration with Canadian Foodgrains Bank and the Humanitarian Coalition, World Renew is responding in rural communities in Jharkhand to deliver hygiene kits to over 4,300 families to protect their health. We are also providing cash to help meet over 1,100 families' medical and food costs. To learn more about our efforts or to donate go to: [worldrenew.ca/corona/india](http://worldrenew.ca/corona/india)

With today's offering, help mothers and their children achieve better health - A mother's role is to care for her child. But what if a mother does not know about a nutritious diet or the need for proper sanitation and health care? Today, discover how World Renew's Maternal and Child Health program helps equip and educate mothers in communities burdened by poverty to better care for their families.
