Baby News!

After praying and waiting, we are thrilled to share that our baby boy has arrived!

Name: Oliver Henry Rivas Herrera Born: April 9, 2022
Papá, Mama and Baby Oliver Henry are doing well, thanks be to God. We are thrilled to share this joyous news with you. Thank you for your prayers.

We are so thankful for God's provision for us in many ways, including the financial support of donors, Resonate's health insurance, a strong network of people to care for us, and multiple baby showers hosted by our church, our friends, and our family! We have been so blessed as we waited for this child.

Now we are looking forward to maternity leave from work to focus on bonding and adjusting as a family to this new reality. We will be in touch again at the beginning of June, Lord willing. Thank you for your prayers for us and the ministry of Resonate Global Mission in Central America!

While we are away on maternity leave, Vicky V from Guatemala will be assisting with answering emails and doing other administrative tasks. We are very excited to have Vicky on our team for the next few months! You might get emails from her through our email account or hers (vvalladares@crncpartners.org), so be aware that it's not spam.

We are a part of the Christian Reformed Church of North America, and the denomination does amazing work. We are better together. A role that we play is through denominational shares; our portion to help the denomination lead us as a church and make a difference in this world. The funds are a part of our yearly church budget. Here is a list of ministries that we help impact. Thank you for your ongoing support in what God is doing.
