### Discussions for the Congregation

We have been having discussions concerning the Human Sexuality Report, opening up space to listen and reflect together. Synod convened this weekend, and they will begin their work this week. We invite you to join us in praying for the delegates as they do their work. To ensure that our discussion together is fruitful, we are going to continue our discussion on Sunday evening, June 19, after Synod has completed its work. We also invite you to stop by the church during the week, as we will have Synod's discussion available through live stream.

May 22 - Introduction to the conversation and setting the stage to communicate well

May 29 - Overview of the Human Sexuality Report and its conclusions

#### **June 19 - The discussions and decisions of Synod**

### Synod 2022

The Agenda Supplement for Synod 2022, will meet in person June 10-16 at Calvin University in Grand Rapids, Michigan, are now posted on the Synod Resources page of the Christian Reformed Church in North America website.

The Supplement also includes an overture from Classis Southeast U.S. to revise definitions and the CRCNA's stance on homosexuality. Synod is the annual decision-making assembly of the CRCNA. It has not been held since 2019 because of travel and in-person gathering restrictions related to the COVID-19 pandemic. As a result, Synod 2022 has a significantly large agenda that includes several weighty matters. Please be in prayer for our delegates and the CRCNA denomination.

## July Sermon Series

We've all been told phrases or nuggets of truth from parents, grandparents, mentors, coaches and friends. Starting June 29, our sermon series will be called "Words of Wisdom" which will explore some of these profound statements, their validity, impact on our lives and what God's Word tells us.

We want your help. Please email [pastorkevin@duncancrc.org](mailto:pastorkevin@duncancrc.org) or write down with the ballot provided in the foyer, a wisdom phrase or two that you have been told in the past, or that you tell others today. It might just be one of our summer sermons
