Church Service Sunday, May 21

Pastor Kevin will bring the Message, "Growing Young - Be the Best Neighbour", from John 4:7-15.

Here are a few questions to facilitate that reflection for this week:

Churches that are growing young are those that put effort into being the best neighbors both locally and globally. They recognize the importance of being rooted in the Word of God and in scripture's command for holiness, and yet they also graciously love their neighbors well. Consider these questions for reflection:

1. Who are the neighbors that you are intentionally connecting with?
2. What are some ways that we are connecting with our neighbors as a church family?
3. How can we grow in creating meaningful connections with our neighbors?
4. What would it look like to be the best neighbors?
