Next Sunday, June 8:

Next Sunday, we will celebrate the Lord's Supper together.

The Offering will be for Church Ministries and the special offering for the Mission Thrift Store.
The net proceeds of all sales from the Mission Thrift Store are sent to their joint ministry with Bible League Canada to fund international programs in over 40 countries worldwide.

Mission Thrift Store History

In the fall of 1988, two gentlemen from Chilliwack, BC joined the Bible League's ministry tour to India. Throughout the tour they learned about the history, culture, religion and economic situation of the people there. They also visited new emerging Christian churches that were established as a result of the relationship between Bible League Canada and its Ministry partner. The trip left both men with a desire to help the people of India and on returning to Canada they became involved in discussions with the Director of Bible League Canada. They ultimately established a thrift store, donating the net revenue to Bible League Canada so Bibles could be distributed to the people of India. Since then, Mission Thrift Store has grown to over 50 locations across the country.

Groundwork: Honor God By Using His Resources Wisely - The Bible teaches us we are stewards of God's resources. Join Groundwork as we study 1 Timothy 6:17-19, Luke 12:13-21, Philippians 4:11-13, Leviticus 27:30, Numbers 18:25-28, and 2 Corinthians 9:6-8 to discuss stewardship, tithing, and what this means for how we handle the money and possessions we have in this life. Listen now at GroundworkOnline.com and subscribe to Groundwork's weekly emails for future episodes.

Kids Corner Devotions: Is This Show Good for Me? - Check out this week's kids' devotion, "Is This Show Good for Me?" at www.kidscorner.net. God wants us to focus on things that are good and true, but sometimes it's hard to know what's best to watch, read, or play. We can ask for wisdom by thinking about how a story matches God's truth and how it affects our hearts and actions. Check out all the great content at kidscorner.net, like The Summertime Collection, full of coloring pages, crafts, and activity books.
