Announcements

New to the Community

We are excited to share with our church family that, my mom, Elly L, will be moving to Duncan. She will be living at the Hamlets. She is very much looking forward to reconnecting with some of you who know her and making new friends. We are reaching out for some help driving her to church on days we have to be early to prepare for the service. If you might be able to help in that way a couple of times a month, please let me know!

Community Dinner This Saturday

THIS Saturday is our monthly free dinner we serve to needy people in our community. This is a wonderful way to reach out into our neighbourhood and town offering a good hot meal and a place to meet and enjoy fellowship. We serve about 125 people each time. To make this work we need lots of volunteers so if you are free on Saturday from 2 p.m. on we would love to have you join the team. It's such a blessing to serve together. Set up and food prep starts at 2 p.m., serving at 4:30 p.m. and clean up right after the meal. Talk to Affie if you have any questions. Thank you!

2026 Church Budget worksheet handed in by Sun, Oct 5

The 2026 Budgeting worksheets for Ministries and Groups has been sent to the Ministry/Group Leaders by e-mail and there is also a copy in their mailslot. Please fill out the form so the Finance Committee can begin the budgeting process for 2026. Any money you require from the Church must be included on this form so that Council can approve it and be included in the upcoming budget. Please give/send the completed form to the Office at office@duncancrc.org by Sunday, October 5.

Breakfast Donations

Our highschool students (10) met on Wednesday morning. We are planning on going through the Heidelberg Catechism together. We would love some donations for our breakfasts. The kids mentioned some staples like cereal and fruit. If you have something sweet you can bake and bring, that can be pulled out of the freezer (cookies, brownies, etc) that would be greatly appreciated. Talk to Pastor Dan for more info.

Sermon Notes

1. What was one insight from the teaching you want to carry with you this coming week?
2. Do you resonate more with reading Scripture for information or formation? Why?
3. Would you consider yourself more of a left-brain person (analytical, rational) or right-brain person (intuitive, symbolic)? How has that impacted the way you read Scripture?
4. What's the primary obstacle you face to the regular reading of Scripture (e.g., time, your sleep habits, parenting, work schedule).
