Engage class

Last Sunday in our class, we talked about what it means to belong to a community of believers and to be a member of a church. Being a member of a church is more than attending on Sundays. It's being part of a living, serving body! It comes with roles and responsibilities.

Whether it's greeting at the door on Sunday mornings, making and serving coffee, preparing communion, helping in children's ministry, helping at the monthly community dinner, visiting members, giving rides to our non-drivers and more... these are some ways we all work together. Every act of service helps build our community and shows Christ's love in action.

Don't wait to be asked! Approach another member who can direct you to someone to help you find your place to serve at Duncan CRC.

Communion Help - young and not so young, we can use you!

Generally we celebrate communion the second Sunday of each month. Two people prepare the communion on Sunday mornings and clean up afterwards.

Kids, thanks so much for being willing to collect the glasses from the pews after church. Parents, it would be so great and helpful if you could remind them to find the collecting buckets on a communion Sunday.

If anyone would like to help with communion once in a while (fill the cups and cut up the bread) and/or clean up afterwards, please talk to Affie or Sandy.
